Regulation History as Published in State Register			
Date	Document Number	Volume	Issue
July 1, 1960	-	-	-

It shall be unlawful to ship or otherwise transport into or through the State of South Carolina, or to own or have in possession within the said State any product or animal by-product, foodstuff or other material considered to constitute a health hazard which originates in a county, state, or country where anthrax or other communicable diseases are reported to exist, provided that the aforementioned products may be permitted entry into the State of South Carolina upon written application and under such requirements and conditions as may be required by the State Health Officer. Such permit shall be in writing and shall accompany the shipment from its point of entry to its destination within the State, provided that this regulation is in conjunction with and not in conflict with any other State or Federal regulation pertaining to the same subject matter.
